

Peach Bellini

Serves 4-6

The original Bellini consists of pureed peaches and Prosecco or Italian sparkling wine. Traditionally a bit of raspberry or cherry juice is added to give the drink a pink glow. This is a non-alcoholic version of the famous drink, made with sparkling apple or grape juice.

Ingredients :

1 tin peaches, drained

Selati sweetener or sugar, to taste

750ml sparkling grape or apple juice, chilled

Fresh or frozen raspberries, to garnish (optional)

Methods :

1. Puree the peaches and sweeten with the Selati sweetener or sugar to taste.
2. Pour a tablespoon into the bottom of champagne flutes then top up with the sparkling grape or apple juice.
3. Garnish with the berries if desired.
